Travel Through A Warrior's Path

*The Chieftain
1998-1999
Volume 48*

Remembering

Our

This path began with the community's hopes and dreams. We've traveled through certain times that might have been challenging. We moved, we built new learning facilities, we've even been split apart. Throughout this path we've traveled together and stood by each other's side, never forgetting what our goal as Calumet High School was. History is a very important base to what we have become today. The little school houses such as Black Oak, Hosford, Ridge, and Ross (Wallace), developed our community of education in the 1920's. Our first documented graduation was in 1929 with a class of six graduates. Then the country fell into a depression until 1941, when WWII began. We were separated in 1941: Black Oak kids went to Horace Mann, Hosford students went to Lew Wallace and Ross students went to Griffith. Finally, in 1945, the now superintendent's office started teaching third through eighth grade. Then, in 1952, seniors began graduating once again. This time the township trustee controlled the school. Although they didn't live in the township, they lived in Gary, which lead us to have a school board within that same year.

Did you know Grissom Elementary was once called Devault?

Path

Joan Wallace (Student Council President)
I believe that Calumet is headed in a positive and promising direction. Calumet path is definitely on the rise. Our school is going to rock in the years to come.

Dr. Beach
(Superintendent)
Calumet High School
has an excellent building
with a great faculty and an
outstanding administration
and support staff.

Unfortunately, the name was changed because the man Devalut got into trouble with the law. This name was changed to Grissom - after the famous astronaut. Then, in Black Oak, "Duluse" on Twenty-first Avenue was an elementary school that all Black Oak kids attended. If you were to go there now you would find Bivonia Medical Center. It is now a place where they mold, make and package medical supplies. Then there is the junior high school, built in 1956 where Calumet High School is now, teaching seventh and eighth grade. There were too many high school students in the superintendent's office, more than there was in this building as a junior high, so the school board decided to set up a meeting and discuss matters. They decided to switch the students in the two schools. At that time the school board committee did not realize they were making a huge decision for the future of Calumet High School students. Now we can

Mr. R. Maginet (most experienced teacher): Since the high school switched in 1963, we have added the vocational wing, the field house, a swimming pool, and enlarged the library. Also the old gym is now the auditorium. We have created language labs, computer labs, and enlarged the science labs. Our Campus is now "closed" for lunch, no more hassle-free smoking areas, and a much larger student parking area. The student population peaked circa 1969 with almost 1700 pupils and a teaching staff of about 70. Back then the students were more studious and neater, now the students have better smiles and are prettier.

live in this area and have an official high school to attend. From the years of the little red school houses and miles of farmland to run in to the modern housing and schools in our community, one thing can be said about our students from the first bunch in 1929 to this year's graduating class or in the future to come: we have managed to stay together. It is interesting to know that we were once lost with no place to officially call our school. Now we can cherish what our fellow students and school board members gave us. We, as the first six did, past and future students, give thanks and recognition to all those who stepped a foot that much further to make sure our students would grow up and have a school system that we can now and forever call ours.

What path is in your future?

Jonathan Malchow: I plan to go to I.U. and get an optometry degree.

Britney Conder: Attend I.U., get a good job, find a husband, and have two kids.

Rodney Shackerford: Attend I.U. to become a pediatrician.

Candice Garmon: Attend Indiana State for missionary science.

Carl Jackson: Attend an unspecified college and major in athletic medicine.

Damien Bruce: Attend Morning State University in Iowa for athletic training.

Akinyemi Laleye: Undecided college, but I plan to major in medicine.

Debbie Gracin: Attend Columbla College to double major in communications and music media management.

Karen Eriks: Attend college to be a masseuse and open my own business.

Mark Miller: Attend I.U.N. for two years, then transfer to I.U. to become a high school teacher.

Majesta Stewart: Take two years off to save money, then head to El Camino, California to study liberal arts.

Tim Kollash: I have a job waiting for me at a piping mill, but I plan to go to tech school to become a diesel mechanic.

Andy Mathais: Attend Purdue University for engineering.

Tony Jones: Attend Davenport College for business management and own my own business.

Roderick Thomas: I'd like to attend a tech school for auto mechanics.

Angie Perez: Attend Purdue University to major in wildlife rehabilitation.

Nick Garcia: Attend I.U. and major in criminal justice and minor in partying.

What will be missed at the end of this year's path?

Mark Alexander: I will miss my friends and the sports and activities I participated in.

Larry Stone: I will miss impressing everybody, wrestling, flirting with high school girls and being looked upon as the best.

Joe Modra: I will miss all my bandit friends and sleeping on the hard wooden desk.

Hillary Russell: I will miss friends and goofing off in class and arguing with Mrs. Ivaldi.

Susan Newbolds: I will miss all of my friends.

Mandi Pendley: I will miss acting like a nuthead and having fun.

Chad Swindal: I will miss my friends and all the fun they had together.

James Farmer: I will miss talking about wrestling and Nintendo 64 at the lunch table.

Jose Colon: I will miss all my friends from '98 and all my friends from '99.

Oscar Coleman: I will miss my coaches and playing basketball at lunch and eating foot-long hot dogs.

Mike Pruitt: I will miss being a pest to my teachers and friends.

Glen Mayes: I will miss friends and swimming.

Jennifer Gullette: I will miss my hair stinking from the washrooms and talking about everybody, but I will still continue that legacy.

Becky Lugar: I will miss friends, basketball and football and being yelled at in band.

Donna Colon: I will miss my friends and my teachers the most. Although I won't miss seeing the people who think they are God.(Ha-Ha)

1929- The Wall Street crash leads to a world-wide economic depression

1930- American astronomer Clyde W. Tombaugh discovers the planet Pluto

1931- The "Star Spangled Banner" becomes the U. S. national anthem

1932- Radio City Music Hall opens in New York City's Rockefeller Center

1933- The 21st Amendment ends the prohibition era

1934- John Dillinger, public enemy number one, is killed by the FBI

1935- The Monopoly board game is patented in the U.S.

1936- Black Athlete Jesse Owens wins four gold medals at the Berlin Olympic Games

1937- American author John Steinback publishes Of Mice and Men

1938- Don Budge becomes the first player to win the Grand

Before They Were Warriors...

Larry and Thurman Stone

Who'd have known they were once little pebbles?

Crystal Bannister and Brooke Lowe

Who would have guessed that these two love birds would find each other at Calumet?

Katie Vibanco, we just love those chubby cheeks!

LaToya Johnson
What a cute baby!

Alissa Bergman
"Ready, set, go!"

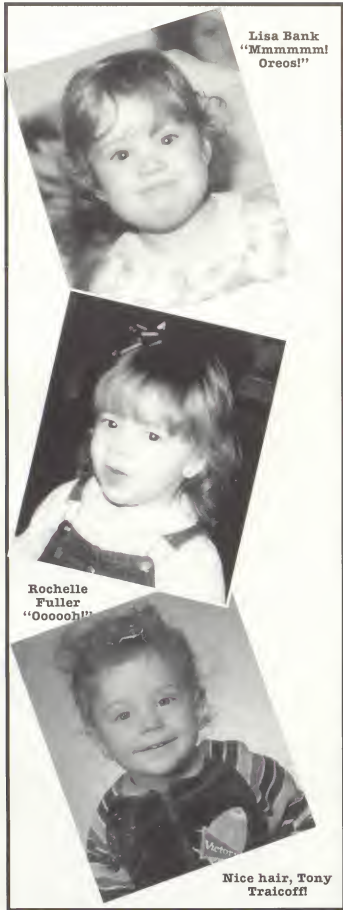

Angela Bennet
"Goin' my way?"

Brittany Spencer, a brat in the making.

Gina Romano, your food goes in your mouth, not on your shirt!

Dee Cuellar shows some leg.

Jennifer
Castellano, "Oooops!"

Angie Perez, as pretty as
a picture.

Could someone please
give Patrick Austin a
napkin?

Looks like we caught
Jennifer Bodnar at
naptime!

Heidi Knoezer smiles as she holds her new plastic friend.

Hang in there, Justin Bengel!

Is that Desira
Dickens or
Punky
Brewster?

Hillary
Russell
shows off her
new friend.

Katherine
Flores, couch
potato.

Nina Wilson, the
camera's over here!

We just love those
dimples, Keith Von
Ogden.

Melissa Warnock
smiles for the camera.

Leslie Hutchison
"Hello?"

Jennifer Downing, Big Wheel Mama.

A Prom queen in disguise, Mary Strickland.

Mindy Griffin in her footie pajamas.

Christina Trammell sitting pretty.

Jonathan Malchow "I wish to be Prom King, I wish to be Prom King."

Michael Pruitt and his Christmas surprise.

Nick Garcia, a stud muffin in a diaper.

Erika Bank "Is my hair okay?"

Candice Garmon Isn't she a doll?

Sara Finney plays in her crib.

Rodney Shackerford "Don't hate me because I'm beautiful."

Marla Scott with her Cookie Monster.

Is that Sandra Paswinski under there?

Britney Conder and her farm friends.

1940- Ernest Hemingway publishes For Whom the Bell Tolls

1941- Baseball player Joe Di Maggio sets a new record by hitting in 56 consecutive games

1942- U.S. fleet defeats the Japanese at the Battle of Midway

1943- Richard Rodgers and Oscar Hammerstein's musical "Oklahoma" opens

1944- American aircraft from the Marinas begin the strategic bombing of Japan

1945- U.S. drops atomic bombs on the cities of Hiroshima and Nagasaki

1946- ENIAC, the first successful electronic digital computer, becomes operational

We Got Spirit, Yes We Do We Got Spirit, How' Bout You?!

pirit Week was one of the best. A lot of people participated in the activi-

ties to show their school spirit. The themes of the days were **Freaky Monday**, where people dressed like their favorite freak; Tuesday it was **50's Spirit Day**, where girls dressed in their poodle skirts and bobbie socks, while the guys dressed in white tee shirts and leather jackets; Wednesday was **Switch-A-Roo Day**, which had guys dressed as girls and girls dressed as guys; **Animal House Toga Party** was Thursday, where everyone wrapped sheets around them; Friday was the day Calumet showed their pride and everyone wore **Red and White**. For each spirit day music that represented that day was played during the five minute passing period and at lunch. — K. Sut

In 1980 the Spirit days were Hillbilly Day, Favorite Sports Day, 50's Day, Mourning Day, and Red and White Day. (27

A New Tradition

he toliet paper was strung on the trees with care, proving the true Warrior spirit was there. After an outrageous number of students participated in Spirit Week, we were off to the auditorium for a Pep Rally with our favorite team. Later that evening, the stadium housed a large crowd of eager Warrior fans. The beginning of the game was exciting as the Warriors held Gavit with clenched fists. With a final score of 6-20, our team was defeated. But were they really? The team played together- they had their hearts set on a win. Sometimes the hard work and dedication you put into something is a victory in itself. What more could we ask for? This year's Homecoming was a fine display of desire to improve and that should be enough to make any school proud.

At half time the Queen candidates made their traditional drive around the football field waving to the fans, their

stomachs twisting with excitement. Paula Wheeler was proclaimed Queen of the evening.

After the game, many students attended the dance, where David Damjanovich was crowned King. What a great evening!-L.Bank

B. The Juniors present their winning banner during the half-time show. Photo by Leigh Ann Ledbetter

C. A few senior cheerleaders form a kick-line to cheer on their senior players. Photo by Leigh Ann Ledbetter

he powder puff game was another success. All the girls played hard and the senior boys cheered their hearts out. The junior/ sophomore team scored the first touchdown. Following that touchdown, the senior/ frosh team caught up when Angela Bennett scored their first touchdown. The fight went on for the rest of the game as the senior boys cheered for their senior girls. In the last few minutes of the game, the junior/ sophomore team was down by one touchdown. Then they scored the winning touchdown, making the

score 27 to 26.

A banner contest was instituted this year in the planning of homecoming. Headstart participated with a banner that said "Good Luck Calumet." All four elementary schools were involved and Black Oak won in that level. The sixth graders won in the Lake Ridge category. The Juniors won the contest at the high school level. All the banners were presented at half-time of the game with the winners announced after the game.

After the game ended the band members, cheerleaders, Warriorettes, and football players were on the field for the community pep session. Few of the football captains said some words to get the fans peped up for the big game on Friday night. —B. Conder

C.

Drug Awareness: Wearing of Red Ribbons

e broke another tradition at CHS because of construction. We were unable to have

our candlelight walk, so the P.U.S.H. group decided to make a new tradition: get one-hundred balloons and write a personal drug-free message on them, and let the wind carry them away. This was a success; in fact, a few people from different parts of Indiana wrote to say that they recovered the balloons. One tradition continued: the art class and P.U.S.H. group made posters to decorate the school. — K. Sut

Fifties Flashback

he Fifties Flashback was held on Thursday, November 5, 1998. The "comic relief" just wanted their theme in the play,

which was the fifties flashback, while the "in group" just wanted to be cool and have a space theme for the dance. The "Out Group" was so into having their way they tried to brainwash the principal to have the fifties play. Everyone got in the spirit of fifties by the unseen talking Elvis speaking to them. The Big Men On Campus didn't want the fifties theme after it was already decided, but they learned to live with it after all.- K. Sut

Chorus

his year Calumet's chorus changed vocals. This kind of chorus called SSA (First Soprano, Second Soprano, and Alto), features only women. Under the direction of Ms. Potoma, the chorus gave a variety of concerts and attended some competitions.

Besides providing great music for our listening pleasure, the chorus also served our community this year by singing for the senior citizens at the library, caroling at the Radisson hotel and at people's houses, and collecting canned food instead of money for admission at one of their concerts.

This is the fiftieth year that Calumet's chorus has been in operation. They did a great job in showing what they are made of during this special year. By providing for the community in other ways along with their music, the Calumet chorus should soon be facing some rising popularity. Although most of the chorus members are seniors this year, those graduating students have set a prime example for the remaining underclassmen to follow and carry on the great music and dedication of this year's chorus. -L.Bank

Don't Wanna Miss a Thing

urn-A-Bout, a time for the young gentlemen of Calumet to blush as they're asked to the dance by a lady friend. The girls mostly wear long beautiful gowns of all different colors and the guys wear matching suits or tuxes. For the first year ever, the Student Council hosted the traditional dance. Many members of the club put forth many hours of hard work in preparing, arranging, and decorating.

Turn-A-Bout was held from six o'clock to ten o'clock p.m. on Saturday, November 14, 1998.

Decorated tables were glowing with candle centerpieces and balloons were floating all around.

"Don't Wanna Miss A Thing" by Aerosmith was the theme chosen and the colors were burgundy, hunter green, and gold. The beautiful couple and group pictures were taken by Main Street Photography. People munched on goodies provided by Mrs. Weakland's cooking classes as they danced the night away to the sounds of the music. -B. Conder

B Where There's Blood There's Life Blood Drive

Gwendolyn Richardson fills out information before giving her blood. *Photo by Britney Conder.*

Blood Drive Workers

First Row: Chris Bewley, Kari Alexander, Nicole Villarruel, Alex Crumple, and Heidi Knoerzer. Second Row: Jonathan Malchow, Mary Strickland, Katherine Flores, Rochelle Fuller, Paula Wheeler, and Mr. Begley. Top Row: Melanie Tauber, Brook Lowe, Britney Conder, and Elia Figueroa.

Student Council once again put on a successful Blood Drive this year. Calumet students had an opportunity to donate blood to save the lives of those in need. Because the amount of blood donated isn't nearly enough to meet the quantity demanded, the eighty-eight pints of blood donated by CHS students was a great contribution.

The Blood Drive was held on March 30, 1999 in the wrestling room. The fourteen student council

helpers did various jobs such as working at the registration table, escorting blood donors safely to the snack table, and working the snack table to pass out punch and cookies.

When someone gives blood they must register as soon as they come in the wrestling room. They then wait for the nurses to call them and prick their index finger and check their iron. Then they lie down on the cots and give a pint of their blood. As always, punch and cookies are provided for after giving blood.

"Once
upon a
time..."

Princess

On March 26 and 27, the Calumet Theater Group presented their annual Spring Play under the direction of Ms. McCray. This year's story was "Princess," a twisted comedy by Judy Wicklund, based on many different fairy tales. A special fairy tale touch was added by the presence of a narrator, Nick Garcia, and a storyteller as well, played by Jonathan Brown. In the play, Prince Charming, played by Mike Zimmer, must try his best to save all of the different princesses in his kingdom, while try-

A. The Frog Consultant, played by Antoine Higgins, helps out in the plot against the prince.

ing to find his lost love. A confused Pea Princess, played by Brittany Spencer, wanders in and out of the play dragging a mattress to add to everyone's troubles. The Prince soon grows tired and decides that he had a better life when he was still a frog. A crew of evil stepmothers plot against him and have the Frog Consultant, played by Antoine Higgins, cast a spell that sends Prince Charming into a deep sleep for seven years so that they can terrorize all of the beautiful princesses. Near the end, Prince Charming's true love returns to him and wakes him from his sleep. We discover that his well-loved "Princess" is actually a furry little dog. The play was full of laughs and the cast did a wonderful job of presenting this play. — L. Bank

B. Lawanda Mitchell expresses her enjoyment of the performance.
C. Kellee Garcia portrays one of the beautiful princesses.

"I'm Your Angel"

Prom '99

rom, the main event of the year, was held on the second of May, nineteen hundred and ninety-nine. The extravagant evening began at six-thirty at The Center for Visual and Performing Arts. As soon as everyone arrived they had the chance to vote for the king and queen of their choice and then immediately took pictures with their date. When everyone finished taking snap shots of each other, Junior President, Ryland Sherman welcomed everyone and said a prayer for dinner. Dinner began with a cup of cream of

chicken soup and a tossed salad. The main course consisted of pork tender loin, mashed potatoes, green beans, and stuffing. For desert the prom goers were served cookies and brownies. Then everyone began to dance the rest of the night away. At eight-thirty the prom court was introduced. The candidates were Bridget Davis and Doug Suprenant, Kathleen Melnize and

Brandon Neely, Robyn Mendoza and Chris Becken, and LeWanda Mitchell and Grandel Shumper.

The eleven-year-old prom queen and king were Robyn Mendoza and Doug Suprenant. They were crowned by the prom court. The ceremony was held in the gymnasium. The prom was a great success and everyone had a wonderful time.

After Prom Special

WHAT A WEEKEND

A. Chrissa Alexander, Gerriann Alaniz, and Brandon Neeley sit down and take a break before going on the next roller coaster.

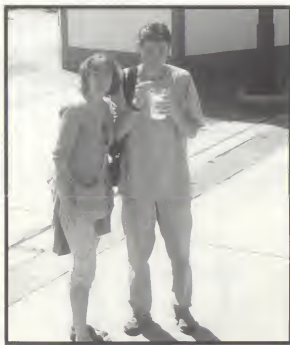

B. The Batman Roller Coaster was enjoyed by many CHS students during post prom weekend.

here was your after prom special? Whether you joined your friends at the beach, took a long drive to Turkey Run, spent the day in the windy city, or the traditional, riding roller coasters all day at Great America, every group of friends had their own individual fun. Many people have a field day at Great America. Prom goers have been going there after prom for many years. A new tradition, Turkey Run, has become an after-prom activity where our prom goers learn how to canoe, some end up in the hospital getting stitches in their head, or some almost drown in the river. But yet some Calumet students take a trip to Chicago and walk the magnificent mile, go to the zoo, visit the museums, or go to a baseball game. Many people enjoy visiting one of the many wonderful beaches of Lake Michigan and have cook-outs and play beach volleyball. Whatever your friends and you choose to do hopefully it will be a wonderful memory from Prom 1999. -B. Conder

A Day on the Town
Senior Trip
'99

W e've come to a fork in our path. Now we must choose the path we take in life. Our high school days are over, leaving us with countless memories of the days gone by. Who could forget it? The exams (cramming), the dances, the Friday night games and endless parties. Being a senior was not exactly the easiest of times for most of us, but it was truly one of the most amazing. As we move on with our lives we

will have that piece of our hearts that will always belong to Calumet. And as we take our diplomas in hand, we can recall all of the things we've seen and done within these halls. It's hard to believe that there is a life existing outside of school. But it is here now, and we are bound to succeed. The class of '99 has had its ups and downs, but one thing will always follow us: the true Warrior spirit that we have come to know these past four years. - L. Bank

Our Hoosier Boys' State Representatives

Mike Zimmer

Ryland Sherman

The American Legion's Department of Indiana's Hoosier Boys' State program is a week long learning experience in the theory, organization, and practical application of the process of our democratic form of government. The Hoosier Boys' State program provides the youth of Indiana a firsthand insight into the rights and responsibilities of a citizen under our government.

Hoosier Boys' State teaches the young men who attend the program the basic fundamentals, structure, and operation of

our government, beginning at a city level government up to a state level of government.

Under the guidance of Hoosier Boys' State staff members, Hoosier Boys' Staters operate the Executive, Judicial, and Legislative branches of a state government with one individual, elected by his fellow Hoosier Boys' Staters, serving in the official capacity of "Governor" of Hoosier Boys' State.

Attendance at Hoosier Boys' State is limited to young men with at

least one more semester's credits to earn in high school, who are recommended by their respective principals/school administrators in cooperation with the local American Legion representatives.

Nearly \$12,000 in college scholarships will be awarded to Hoosier Boys State citizens at the 1999 Hoosier Boys State session. These scholarships may be used at any college or university to further the student's education.

Hoosier Girls' State

The American Legion Auxiliary Department of Indiana's Hoosier Girls' State is a government program designed to educate young women in the duties, privileges, rights, and responsibilities of citizenship. It is a week of living and learning the political system of Indiana through a mythical City, County and State. Citizens begin their adventure by registering to vote, working in an assigned political party (Federalist or Nationalist), filing for an

elected office and conducting a political campaign complete with speeches and campaign materials.

"When I was chosen for Hoosiers Girls' State, I was very proud of myself," replied LaWanda Mitchell.

Besides the government action, other activities include forming a band and choir; producing a daily newspaper; performing in the Variety Show; and participating in State Police classes, recreation periods, Vespers and Flag ceremonies.

Delegates are also eligible for a variety of

scholarships and honors by participating in the Hoosier Girls' State program. The most prestigious award is the selection of two Girls' State citizens to represent Indiana at Girls' Nation held near Washington, DC.

Qualifications for HGS include that a Delegate or Alternate shall be a young woman who is interested in government, has leadership

ship criteria, and has good character.

The session begins on June 20, 1999 and ends June 26, 1999.

"When I was chosen for Hoosiers Girls' State, I was very happy. I think that this will be an experience of a lifetime," replied Jan Vines.

Trying to convince two parties to get along? Are you uncomfortable about talking to adults about your problems? Yes? Then talk to someone in your own age group that understands what you're going through: **Peer Mediators**. This group is here any time during school hours. They help you work out differences with your peers. Instead of fighting, talk out your problems with people that can help solve your problems the smart way.

Peer Mediation

THE WARRIOR PRESS

CALWEB

Row 1 Daniel Kohn, Jade Cloud, Josh Allenbaugh
Row 2 Tim Brown, Jeremy Best, and Mr. J. Boufis photo by Main Street

The Warrior Press is put together by the Newspaper Club and consists of various articles about our school. The Warrior Press is headed by Mr. Boufis. The newspaper comes out just about every month. You do not have to be on the newspaper staff to write an article. If you have a good idea and you want to express yourself, write your own article and give it to a staff member. The paper

helps students and staff keep up with the latest scoop.

CalWeb is also an organization started by Mr. Boufis in 1995. This club lets the students interact with each other on a computer in the privacy of their home. Log on at:

ns.lakeridge.k12.in.us

to chat with other students in the Calumet Township area.

On The WarPath To Knowledge

The Spell Bowl Team begins the year studying hundreds of words. After many practices, they compete in the Regional Spell Bowl at Griffith High School in October. This year's team competed with six Division-II high schools. The purpose is to promote the importance of spelling in all disciplines. Mrs. Jones and Mrs. Potoma are co-sponsors.

The Academic Team Competes in five academic subject areas while studying a specific time period. This year the students studied The Age of Enlightenment and competed in English, Science, Math, Social Studies, and

Fine Arts. They placed first in science in the region for both the Invitational and the Super Bowl. They placed third in English for the Invitational, and second in the Interdisciplinary category for both the Invitational and the Super Bowl. Mrs. Potoma and Ms. Dodd are coaches.

The Debate Team had 4 student representatives this year. The students gave speeches while taking a stand on a controversial matter within a Congress setting. They also had the opportunity to play the role of a member of the House of Representatives. The Congress events are held on Sat-

urdays and are all day long. The Team brought home ribbons and a plaque - great for their first year!! Mrs. Jones and Mr. Maginor are Debate Sponsors. *by C. Shoupert*

V.I.C.A.

Working Hard for the Money

V.I.C.A. stands for Vocational Industrial Clubs of America. V.I.C.A. is for students who want to work and go to school full-time. The students go to school half a day, getting out at 11:30 to go to work. Mr. Portman is in-charge of the program. He gets two-thirds of the students jobs for them and one-third find their own job. Each student gets one credit per semester for in-class training and two credits each semester for the grade the job gives them. The class teaches safety, job interview skills, how to get along with employers, and much more.

Spanish Club

The Spanish club is not just about learning the language, it is also a very good way to learn about the culture. Members participate and sponsor many fundraising events. This year's Spanish feast for all the teachers to show their appreciation. The club

also put on the haunted house that turned out to be a great accomplishment. Spanish members have the opportunity to go to Spain and learn more about the culture. Any student in a Spanish class can pay a small fee to be a member in the Spanish Club. This club has a lot of fun and gives students another chance to learn. B.Davis

Business Pro-

fessionals of America is a national organization for any student interested in a career in business.

The organization provides opportunities to develop leadership and social skills. The members also have the opportunity to meet students from other schools and states. The members participate in regional, state and national competition in a variety of business-related areas. Students get the opportunity to apply the skills they have learned in business classes and compete against students from other schools. Calumet High School has been in BPA since 1967. The club was formerly known as The Office Education Association. Throughout the years, Calumet had many regional and state winners. Calumet can even boast of having national winners.

This year Student Council has been very rewarding. Not only did we get a new advisor, but we also opened 2 new offices, revised our constitution, and participated in many service activities. I have

grown socially through Student Council. I have participated in Student Council for four years. I have had the honor of serving as Class President for four years and Student Council President for two years. I have participated and learned a lot about new things and met new people. *Malibu, President*

Student Council has played an intricate part in my high school career. With a new advisor and several dedicated members, the Calumet Student Council is on its way to becoming a better school government.

It was a great feeling as a Freshman to be involved in the activities of the entire school, good luck to next year's officers and representatives. *Rachell Fuller, Vice-President*

To me being a Student Council Officer is a privilege. Along with this privilege comes a lot of hardwork and dedication. Being an officer you get looked up to by upcoming

officers. Some advantages to being a member of Student Council is District Meetings and State Conventions. Meeting new people and making new friends is definitely a plus! *Paula Wheeler, Secretary*

I've been a member of Student Council for three years, so it's been an important part of my high school career. The

club has gone through a lot of changes with the addition of the constitution and the historians the club has greatly improved. I am truly going to miss it. *Mary Strickland, Treasurer*

Boosting School Spirit

STUDENT COUNCIL

This year The Student Council has two new attributes to the club. The first one is the new sponsor Mr. Begley. Mrs. Korellis, the previous sponsor, gave the job over to him because she is contemplating retirement. With the help of President Jonathon Malchow, and the older Student Council Members, Mr. Begley has had a nice year.

The other new at-

traction this year is the new officer position: Historian. The Historian is the person who keeps track of the history of Student Council. They also have to keep the Honor Council Book up to date. This year's new Historians are Junior Elia Figueroa and Freshman Alexandria Crumble. They were chosen because of their outstanding leadership qualities.

With all the new

things that are happening in Student Council, this year is the start of great things for years to come.

Citizenship, Leadership, Scholarship, Service, National Honor Society

The National Honor Society is a club of high standards. To get in National Honor Society a student needs a GPA of at least 3.2. In the club you will find that there are some bright and talented students. This year National Honor Society had numerous fundraisers to raise some money. They had the "Free Throw and Three Point Basketball Shootout," "Reveal your Crush,"

and sold pizza after school.

The National Honor Society also went to Retirement Homes and gave their time helping the elderly. After school some members stayed to help tutor kids who needed help in certain classes.

The National Honor Society is a club most students want to join, but it takes a lot of hard work. *by C. ShumPERT*

CHIEFTAIN STAFF

Top: Amber Owens looks for a good layout. Photo by Kim Sut

Right: Tina Reithel carries a chair to her computer to begin her layout. Photo by Kim Sut

The CHIEFTAIN staff fits all the school events into one book. This year's staff consists of fourteen members, each assigned to one of five sections consisting of two or three people. There are only four deadlines for each member to have his/her pages done. This work is done as a team and the yearbook staff depends on each and every member. This class uses its creativity in designing each page. The yearbook is a great way to keep memories of your high school years. Much effort and time goes into every single page in the yearbook and the pictures must be taken

P.U.S.H. was established in the 88' - 89' school year. Each year, twenty-five students are trained to help other students with their decision about drugs by Mike Winchester, a prosecuting attorney from Omaha, Nebraska. These students spend a weekend, 10 hours each day, in training. Once the students are trained, the drug-free go to the elementary schools to present a program to all the fourth grade classes.

These students spend a week at each school and give a positive role model to the children. This program helps the high school the fourth them both make and their fu-

"GOT MILK?"

Junior Scott Diehl "sports" his milk mustache while showing his refreshing milk during lunch.

Tisha Doeing turns up the heat with Hot Fries.

Ayesha Avery tames her sweet tooth with juicy Starburst.

Sweet Sensation

There is something about candy that gives Americans that "Sweet Sensation." We, as Americans, tend to give into our sweet tooth more than any other temptation. Americans consume about 25.5 lbs of candy a month - that's the weight of an average small dog.

CHS sophomores are responding to the sugar call by buying candy from Ms Green.

With the loss of all the leadership and high talent from last year's seniors, many people lost all faith for a good volleyball team for this '98 season. With only three returning starters and five lettermen from last year's team, many thought this

100% pure heart or missing the chance of playing on the Varsity Team. It took hard work and much determination to play this year.

To this year's Varsity team, they wanted to win more than anything. Winning was in their eyes, but at times it wasn't shown. They practiced every day with full intensity. Diving after balls, hitting the hard-

Jen Downing

I love the feeling of having hard wood floor burns and bruises, then I know I gave 110%.

year would be a joke, more or less a rebuilding year for the future.

At the beginning of August, there were five Varsity spots open. For a known fact, Coach Gabbert wanted girls who were willing to work

I am going to miss playing organized volleyball, Coach Gabbert, but most importantly - my best un-friend Jen.

hard, to achieve higher goals, and wanted to win more than anything. For those who wanted on Varsity, that meant a lot too. There was no more goofing around, it was all

Shanda Scott
This season was an experience seeing how I was playing Varsity for the first time ever. Jen and Tina made this season fun and I am going to miss them when they're gone. It just won't be the same!

wood floor, spiking with all their might, getting knots and bruises, and even having floor burns are just some examples of their determination.

Throughout the season, there were many ups and downs. Even though they showed great sportsmanship, losing was hard, especially for the seniors. They managed to pull out three victories, which indeed showed an outstanding preformance for the '98 Varsity Volleyball season.

Inexperienced Equals Determination

Givin' All They Got

The Jayvee Lady Warriors volleyball team ended the season with a record of 2-21. They had their share of ups and downs throughout the season, but always got along and had fun as a team!!

They had three returning players, Junior Kathleen McIntire, sophomore Crystal

Reithel and Jessica Michelin.

The team had a lot of heart for volleyball and it showed. The team is expecting a lot of talent coming from them next year. The girls didn't come out on top, but they did come out with many bruises to show for their hard work for the sport and the team.

STANDING: Coach Gabbert, Amanda Patterson, Josie Cobb, Tanya Vichek, Corinne Cherryholmes, Coach Yanta. KNEELING: Crystal Reithel, Alex Crumble, Nicole Villarruel, Jessica Michelin, Jen Flores, Kari Alexander, Kathleen McIntire.

of

Warriors Come Out

The Warriors went out with a bang this year, especially with plays like Justin Bengé making an 87-yard kickoff return for a touchdown against state ranked Whiting. They had an excellent '98 season starting out with a 41-10 win against River Forest with the help of Karl Jackson, Justin Bengé, Mike Zimmer, and Dave Damjanovic. In another big win against Morton, Carl

"Action" Jackson sparked the win with 65 and 55 yard TD runs.

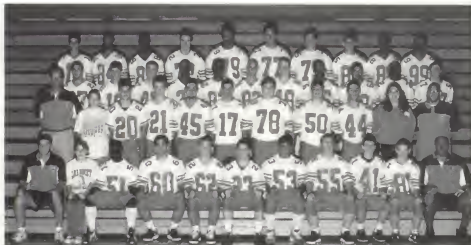

The team fought its way through adversity the entire season and were able to overcome many injuries, which included Bengé, a 3 year captain who contributed greatly with superb blocking and 590 yards on 97 carries. They eventually overcame their injuries in time for Bishop Noll-

the second time around- in sectionals. Calumet shocked the state with an impressive win over powerhouse Noll 32-21, one of the best games in the history of Calumet. The Warriors scored 27 Touchdowns this season! A fantastic season.

To the left Mark Alexander runs through the hoop before the big game.

On Their Way To Victory

The 1998 Calumet Cross Country team had a great season this year. With the vital help of seniors Mark Miller and Joyce Ivankoich they were able to come out with a winning season.

They had a good turnout at the Lowell Invitational taking 14th place of 16 teams. In the Clark Invite the Warriors had yet another grand victory, taking 13th place of 16 teams there.

A New Beginning

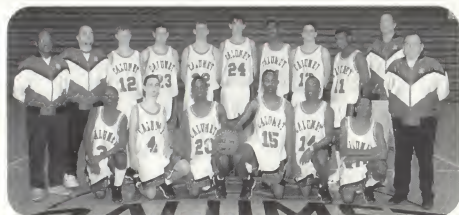

Calumet Basketball started a new era in the 1998-99 season and said goodbye to an old one. For the first time in over thirty years, Coach Carl Traicoff did not lead the Warriors into battle. He retired in August and new head Coach John Steinhilber started his new regime. The Warriors returned only two returning lettermen from last years team and no starters. Coach Steinhilber made that a starting point. He immediately made seniors Tony Traicoff and Jason Cole captains of the team. They proved to be great leaders and role models for the young Warriors. Transfer Lamar Long also made a big impact as he led the Warriors in scoring, rebounding, and

steals. They finished the season with a record of 5-16. Although the season was a struggle, 6-7 sophomores Bill Watson and a flurry of outstanding and dedicated freshmen received some valuable playing time that will benefit the Warriors in the future. Some highlights were a fifteen point comeback to beat the Bishop Noll Warriors. A thirty point fourth quarter to blow out Hammond Clark, and Lamar Long's forty point, eleven rebound game vs. River Forest. The young Warriors have dedicated themselves to getting better for next season by getting in the weight room and becoming a TEAM!

SHOOTING FOR VICTORY

The 1998-1999 season was a hard one for the Calumet Warriors Junior Varsity team. Not many guys came out this year, which made Coach Feeler's job tougher. The Warriors struggled throughout the season, giving it their greatest effort and doing the best that they could. Trying to overcome the many obstacles that stood in their way, the Calumet Warriors stood strong defending the pride of their team. With the help of Coach Feeler, the Warriors

kept their spirits high, making them rise above the others in their mental ability.

The season was not without highlights. One such highlight was the Gavitt game. They came out strong that game with great defensive and offensive plays, and beat their competition by nearly 28 points. The Warriors are building their basketball program for the future. The guys practice hard and are coming along considerably well.

Left: Sophomore Tony Brown goes for the 3-pointer to put his team ahead of the Morton Governors. photo by Main Street

What do you remember most?

"Being on J.V was memorable but the thing that stands out most was the Calumet-Clark game, because I played my hardest having 14 points and nearly 15 rebounds." * Joe Stewart *

"I think that the last game of our season was memorable for me, because we all played as a team. We came out of our season playing hard and we were proud." *Derek Estrada *

Young Hoopsters

The freshmen Warriors completed a very successful season, compiling a 10-6 record. Highlights of the season include: David Koch hitting a jump shot with 30 seconds left in the game against Boone Grove

while Maurice Johnson hit two crucial free throws with 13 seconds left to seal a 28-26 victory. The Warriors held Lowell to a total of four points in the first half as they defeated the Red Devils. Each player on

the team scored in a 45-26 rout at Hammond Morton, a game that featured a 15-0 run by the Warriors in the second quarter. Against Horace Mann, the Warriors scored the first six points and never trailed the entire game. The team also held Mann to only two points in the third quarter, ensuring the victory. Demarreo Campbell was the leading rebounder on the

team for the season and scored a personal high 19 points against Hanover Central. Campbell also scored the first basket for Calumet in eight consecutive games. Chris Waters, Dwayne Pruitt, Eric Baker, and William Wise, all starters for the freshmen team when the season began, moved to the varsity team at various points in the season.

Big Team, Little Me

On the back of the team's shooting shirts had the quote "Big Team, Little Me" because, as a program they have finally come to understand that this means basketball is a team sport and to be successful there can be no individuals.

"The highlight of the season, was the fact that despite being 0 and 21, this year's team had more discipline, sportsmanship, work ethic, character, and heart than any other team I've ever coached in any sport," commented Ms. Downing, coach. The team will sorely miss three graduating seniors, Tina Reithel, Michelle Rucker, and Jen Short, but this program is on the verge of turning the corner and going to the next level.

ABOVE: Lawanda Mitchell goes up for the rebound.

Girls Drive to the Hoop

The Warrior girls had great defense putting out all they had, they also had the greatest amount of spirit. They gave it their all, dishing out everything that they had. The Warriors may not have been satisfied with their record, yet the Calumet Warrior Girls can say they worked hard and gave

it their greatest effort. They're working hard to get their ability as great as their opponents. The Warriors are happy to say that they're getting over the obstacles and are not far behind.

Splashes of Success

This was a good season for the girls swim team that was coached by the coach of the year!! They broke many records, and had a lot of fun doing it. Records were broken by Brenda Yettsko — 100

breaststroke, freshman Amanda Swanson — 200 m. and 100 m. breaststroke, and sophomore Nikki Botts diving. Rachael Overton brought home a fourth place in the conference diving competition.

This season, our Seahawks made some vast improvements in the way they accomplished things as a team. Compared to last year's season, they increased their record from 9-7 to 10-5 this season. They also improved their Conference record from 5-3 to 6-3 this year. They placed 4th in our Conference for the second straight year and hope to gradually improve in the years to come.

This year's team showed tremendous amount of team unity. They showed that they had no hate for anyone and acted as a team instead of worrying about individual records. According to Coach Starewicz, this bunch of boys was the nicest and

Making Waves

closest group he had ever worked with. One-third of the Seahawks made the Honor Roll, which shows they not only care a lot about swimming, but also their schoolwork.

Our Seahawks handed Lowell a huge upset when they defeated them 94-85. At that particular time the Lowell swim team was ranked in the state. It just proves that if you want something so bad it can be accomplished. It shows you how much

heart and how much determination was in this team. Also of note, this was the first time the Seahawks, had defeated Kankakee Valley in three years.

This year Coach Starewicz was nominated and received the award for "Coach of the Year." All the coaches in our Conference cast their ballots for whom they thought deserved the award and Coach Starewicz had the majority of the votes. Congratulations!

After 28 years of coaching at Calumet, Coach Starewicz is retiring from coaching. He has coached 18 years of swimming, 16 years of football, 12 years of wrestling, and 2 years of girls track. When asked why he thought he needed to retire, he replied, "I'm just tired. I need some time to recuperate. I'm not saying that in a few years down the road I won't come back, but I need some time to get myself together."

104 Calumet's Wrestling team has won more Conference (13), Sectional (23), Regional (11) and Semistate (1) Championships than any other CHS sport.

Warrior Wrestlers Repeat as Regional Champions

The '98-'99 wrestlers finished their 22nd consecutive winning season at 20-8-1 in duals and 10-0 in the Lake Athletic Conference. They claimed their sixth consecutive conference championship, seventh straight Sectional title, and back to back Regional crowns. The Warriors finished the season ranked ninth in the state, but fell to a tough Hobart team at the Valparaiso Semi-state. Seven men qualified for the individual Semi-state and five wrestled in the round to go to State. The three who earned the trip to

compete at Market Square Arena by finishing in the top four were: Larry Stone (4th @ 152); Justin Bengé (3rd @ 160); & Thurman Stone (2nd @ 135). In the best CHS State Finals showing since 1984, the Warriors' finished 10th. Justin Bengé placed 5th at 160 and set a new school career record for wins with his stellar 131-30 record. Thurman Stone avenged his only loss of the season in the finals and became CHS's fourth State Champion, while also eclipsing the season record for victories (46) along the way.

The jubilant Warrior contingent celebrates an outstanding tenth place finish at the State Finals.

Warriors

What is Cheerleading? When most people think of cheerleading they don't think of all of the hard

work that is put into learning cheers, routines, and many others things. They practice all year round to get where they are today, putting themselves together with great results. They try their hardest to keep the crowd going and sometimes, even when the crowd doesn't give in, they just keep their spirits going strong.

The awards given out this year went to Becky Watson for being the most dedicated to her team, Pat-

ty Pusateri received the best attitude award, most improved award went to Shannon Soeder, the most spirited cheerleader was Karen Eriks, and Gina Romano received the best all-around award.

The cheerleaders put on a pee-wee camp every year too, helping and teaching little girls the basics of cheering. At the end of the week during half time of the Friday basketball game, they preform in front of the crowd. Just remember how hard the cheerleaders work when you see them cheering or performing.

Far right: During half-time the team shows their spirit by holding up Marcie Conder as she cheers for her team's victory. photo by Kim Sut

One Swing At A Time

The Warriors softball team took it "one swing at a time" with their new coach Dale Ray. With the resignation of their previous coach, Mr. Ray decided to step up to the plate and try it out. He's trying to turn the softball program into something people will notice. The softball team doesn't have the greatest reputation, but it's coming up. Though struggling throughout the season, they fought hard as a team.

The Warriors worked on their defense and offense. The bats were coming along well this year. Some

high points of the season were Amber Owens having 88 put-outs, Shanda Scott had 15 RBIs, Shannon Reiser had 15 runs scored and Jennifer Gullete had a .444 on base percentage. With the team struggling in their pitching position, Jen Downing stepped up to the mound and made double plays against Morton and allowed only two walks against Whiting. We had three freshmen come out this year for the Warriors. One of those was Sam McKenney who made the first unassisted double play of the year. One senior that

will be missed is Tina Reithel who, when needed, played centerfield which helped the Warriors immensely. Tina made great plays defensively against Griffith, having four catches and cutting short a rally when she threw out a runner trying to score after her catch. Another asset to the team was Cassie Cavell who had a .400 on base percentage and a .280 batting average. The girls are showing that they have been working hard and are going to be noticed.

Above: Stacey Cercione swings as hard as she can to get her single in the 5th inning. Left: The team goes to right field after their game to discuss what they did and didn't execute.

Right: Freshman Sam McKenney snags the hit and throws the ball in to get the play. Far Left: Tina Reithel catches the pop up and looks to see if there is a play. Left: Sophomore Crystal Reithel gets the pop-up to get the third out of the inning. photos by Miss Green

Crossing the Line

Individuals shone throughout the 1999 track season, but that didn't make them forget about the team. Many personal goals were reached yet personal disappointments were felt, but the team always supported the individual and the individual always supported the team.

Calumet had one state qualifier at the end of the season: Junior Lamar Long in the 400 meter dash. Lamar traveled to Indianapolis to represent

the school and finished a respectable 24th. Sectional winners and qualifiers for the regionals were Long in the long jump, 400 meter dash, and the 4x100 relay team. Joining Long on the relay team were Damarreo Campbell, Mike Pruitt, and Karl Jackson. Unfortunately, no one from the girls team qualified for regionals.

Coach Zimmer commenting on this year's team said, "This team showed a vast improvement over last year's team."

Above: Getting off to a good start, Shawnel Bradley prepares to overtake all competitors in the 200m dash.

BELOW: Karl Jackson's powerful legs helps him achieve ultimate distance in the long jump.

Together At Last

A vast improvement for this year's girls tennis team was noticeable because everyone had a winning record. Some special moments for the team include the match at Nankakee Valley where Rochelle Fuller and Paula Wheeler were down 5-2 in the third set and pulled it out 7-5. At the Lake Station Invitational, Mary Strickland, down 1-6 after the first set, won in a tie-breaker for the championship. In a match vs River Forest with the score

tied 2-2, Alissa Bergman played for nearly three hours with a sore wrist then lost on a questionable call. It was truly a Great Gutter Effort. At the LAC Tourney vs Gavitt, Fuller and Wheeler, again with two tie-breakers, won 10-8, "An unbelievable comeback for Bosh and Pook!" exclaimed Coach Tauber.

Season highlights include being the Lake Station Invitational Champions for the first time ever, having the best start ever (6-

0); placing fifth in the LAC, tying a school record for wins (13), and having the fifth winning season in 23 years.

Nikki Floyd freshman, has a bright future if she sticks with it. Coach Tauber commented, "This was one of my most enjoyable and successful seasons ever! I'll really miss these seniors and I'll really miss the good tennis they played. They are a really special group!"

Mary Strickland received All-Conference Academic

Team, LAC Scholar Athlete of the Year, LAC First Team All-Conference, LAC Athlete of the Year, and Academic All State honors. Rochelle Fuller received LAC First Team All-Conference and All Conference Academic team. Paula Wheeler and Heidi Lockhart both received LAC First Team All Conference. LAC Honorable Mention awards were received by Alissa Bergman, Karen Eriks, and Nikki Floyd.

Putting for Par

This year was a good year for the 1999 Golf team. They experienced many triumphant times and always kept their heads up. No doubt this was a strong team working together and playing their hardest. They will be working throughout the year on things that they need to improve on. Next year's team will be missing four graduating seniors, Mike Vician, Chris Lukawski, Whalen Arnold, and Glenn Mayes.

A Look Back at the Sport's Path

Three up, Three down, They're not messing around

This year's 1999

Varsity Baseball team had a slow start but came out on top as usual. They overcame a state ranked team, Kankakee Valley, by two runs. A highlight of the year was when Jim Ross had thirteen consecutive hits and pitched a no hitter against Andean. The team will feel the loss of five graduating seniors, Jim Ross, Brook Lowe, Justin Benge, John Reiser, and Mark Alexander. Although these very talented guys had a rough year, they stayed strong and came through at the end of the season.

Slidin' to score

Although

many people don't think about the hard work the boys j.v. baseball team goes through during the cold months of February and March, they practice, practice, practice to get better. They fight hard to earn their positions on the field and to prepare themselves for varsity. Their season had many ups and downs. One game they played great defense, but the next not so good. The guys just kept their heads up and came to the next game like it was a new season. The Warriors have plenty of potential in their future and are getting better every year. They're looking forward to their winning season.

Left: Matt Hemphill holds his bat and checks the pitch, but realizes it's no good so pulls his bat back and lets the ball go by. Left: the Calumet J.V. team: First row: Jeremy Bailey, Matt Hemphill, Aaron Alsmann, Shawn Johnson, and Anthony Powers. Second Row: Fred Brunn, Charles Murphy, David Taborski, Jason Reid, and Coach Azbill. Third Row: Jeremy Mulesman, Anthony Ruiz, Mike Zimmer, and Dan Kohn.

1998- Northwest Indiana
and neighboring Illinois
counties experienced the
worst blizzard since 1967

1999- ????????

What are you looking forward to in the years to come?

Usually the transition for freshmen to CHS from LRMS is traumatic. That explains why some freshmen act the way they do. So to ease the tension, upperclassmen keep the tradition of "paying special attention" to the ninth graders. However; one day the CHS freshmen will rise up and become the leaders. To the class of 2002, good luck and God speed.

Tonya Vichek:
I'm looking forward to graduation and going to college.

Jason Owensby:

Congratulations LaToya. We're proud of you. It's just so hard to believe that only eighteen years ago we were rocking you in our arms. Where did the time go?

ber nothing is impossible to him or her that believes. Put God first and everything else will follow. We love you very much Toya. Love always,

LaToya, keep reaching for the moon and remem-

Mom and Dad

Tina:

Congratulations! You have come to a point in your life to make important decisions. Choose carefully and wisely. Remember your life is just beginning. We are proud of you.

Love,

Dad, Mom, Norman, Crystal, and Nicole

Pretty in "Pink," it's Amandalyn Jane - We can't believe she's a graduate, looking down memory lane. You wrinkled your nose when you'd smile, then suck your thumb and pick your blankie for a while. Daddy would swing you in the air, you'd say "Untime Daddy, Untime" if he'd dare. We love you to death, we are so proud of you, we wish you good luck and best wishes too!

Love, Mom, Dad & Family

To Britney Lynn.

God sure blessed us when He gave you to us. You have made our lives full of joy and happiness. You have always made us proud to say you're our daughter. May God bless you always in everything you do.

We are so proud of you.

Love you,
Dad & Mom

Jeff,

Though it took a lifetime to become so confident and tall, we feel as if a moments passed since you were very small.

We've watched with joy and wonder, all the accomplishments you've had, and we want you to know, you have a very proud Mom & Dad. Congratulations son!

Congratulations
You did it!

Heidi,

I'm so proud of you and this very important accomplishment of your life. I'm even more proud of the way you did it with character, dignity, self-respect, pride, and love.

The future holds for everyone only what they feel they deserve and are willing to go after.

I pray for you always to have Good Health, Love, and Happiness, all the rest is just icing on the cake.

I'll love you forever,
Mom

Brittany, Gina,
Nick, & Keith:
The struggle is over and
Bloomington
awaits! Good luck
We love you -
Patti & Diane

Congratulations
'Li Sister

Kevin - 1988
Keith - 1988
Kathy - 1993

Julie,

You are the best daughter, sister, and friend anyone could ask for. You have worked so hard and you finally did it. We hope all your plans for the future go exactly the way you want them to. No matter what you do, your family will always be there for you! We love you!

Love,
Mom, Rich, Phil, & Jen

Congratulations Michelle Rucker! You've done it! Love,
Millie, Mom, David, Shawnel, Hugh, Lamont,
Rachel, Oscar Jr.
In memory of Grandma, Grandpa, Oscar Sr.

Donny,

I can't believe the school year is over. Yesterday I was seeing you in red speedos, now a red cap & gown. I know that your mom and I are so proud that you're the first to get your diploma. This last year and a half have been the best & I have you to thank for it. I know that whatever you do after school, you'll try your best. I'm going to miss all the little things that you do for me, they mean so much. Good luck Donny.

I love you,
Sarah

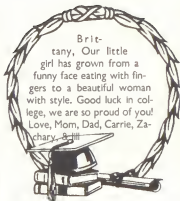

*Congratulations
You did it!*

Mary Strickland,

We're proud of
you!

Love,
Mom & Dad

Brit-
tany, Our little
girl has grown from a
funny face eating with fin-
gers to a beautiful woman
with style. Good luck in col-
lege, we are so proud of you!
Love, Mom, Dad, Carrie, Za-
chary, & Jill

Congratulations to
all my **Class of 99**
Advisement stu-
dents!

I knew you could
do it! Good luck in
all your endeavors!
Ms. Green

Hey, Keneshia, yeah, you
on the right. :) All I can say
is keep yo head up and al-
ways watch yo back 'cause
you know Calumet got some
haters. You are a great per-
son with a beautiful per-
sonality. You've been noth-
ing but a true friend, I got
nothin' but love for you

home! I'm really going to
miss you!

Deadra Tisby c/o 99

I told you I
could do it!

*Congratulations
You did it!*

Lesley,
Words alone
cannot express
the Joy, Hap-
piness, and Love
that you've giv-
en us.

but you made it
to the finish,
Wishing you
the best success
with your future
endeavors.

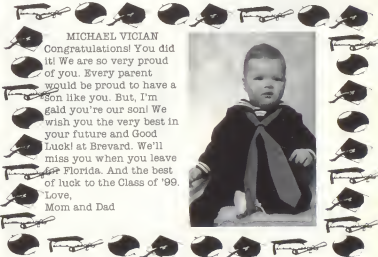

We'll always love you,
Dad & Mom

It was a long road,

Jeff:
Graduation ushers in
many changes; the
transition from high
school to college; new
expectations of you
as an adult; a move
from the safety of
your home to living
on your own.
The last one is one of
our personal
favorites.
Congratulations on
your graduation!
When do you leave?
Love,
Tony, Robin, & Dena

*Congratulations
You did it!*

Dear Beautiful Chrissy,
Congratulations on all
of your accomplish-
ments! Watching you
grow up from pigtails to
the stylish young wom-
an you are today has
been a blessing from
God, in the way you
have touched our lives!
Good luck as you further
your education, begin
your career, and achieve
all your goals in life.
All our love, support,
and prayers,
Uncle Fred, Aunt Shir-
ley, and wonderful cou-
sin Shelbie

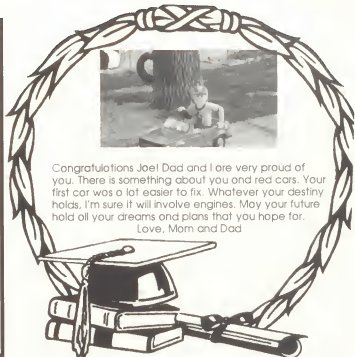

MICHAEL VICIAN
Congratulations! You did
it! We are so very proud
of you. Every parent
would be proud to have a
son like you. But, I'm
gald you're our son! We
wish you the very best in
your future and Good
Luck! at Brevard. We'll
miss you when you leave
for Florida. And the best
of luck to the Class of '99.
Love,
Mom and Dad

To our Daughter Christina
We love you first of all. Your father and I would like to congratulate you on such a well done job. We hope that the future will bring you nothing but the best. Always remember what we have taught you. If the pieces fall apart later in your journey, just pick yourself up and start again. Look up to God for all your needs.

Love ya always,
Gasper, Christina Rosado

Congratulations Joel! Dad and I are very proud of you. There is something about you and red cars. Your first car was a lot easier to fix. Whatever your destiny holds, I'm sure it will involve engines. May your future hold all your dreams and plans that you hope for.

Love, Mom and Dad

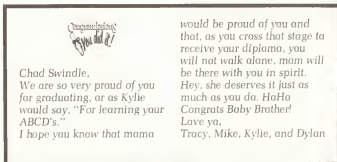

Congratulations Christopher Glenn Wilson, class of 1999. YOU DID IT! We want you to follow your dreams, no matter what they may be. Wish you the best of luck in your future goals in life. Be the best at what you can be.

With all our love,
Mom, Dad, Jeff, Linda, and Michael

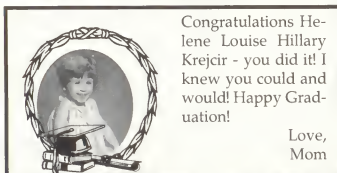

The Yearbook Staff and Ms. Green would like to thank all those students (and staff) who supported us throughout the year by purchasing candy from Ms. Green!

Chad Swindle,
We are so very proud of you for graduating, or as Kylie would say, "For learning your ABCD's."
I hope you know that mama

would be proud of you and that, as you cross that stage to receive your diploma, you will not walk alone, mama will be there with you in spirit. Hey, she deserves it just as much as you da. HaHa Congrats Baby Brother! Love ya,
Tracy, Mike, Kylie, and Dylan

Congratulations Helene Louise Hillary Krejcir - you did it! I knew you could and would! Happy Graduation!

Love,
Mom

Congratulations
You did it!

Choose your friends carefully
Only one person can control you & that's you
Reach for your dreams
Treat others with respect and they'll respect you
Never forget to put God first
Especially remember to pray His will
You are in charge of your success

Love you always,
Mom and Al

Britney,
I just want to say that you have been a great sister and I love you. I am proud of you. Just remember I will always be here for you. You are not just my sister but also my best friend. I love you!

Love your sister,
Marcie Rae

To my sister Britney:
You are a great sister and you have always been there for me.
Congratulations! I will always love you.

Your little brother,
Brent

Through the years at Calumet things have changed a great deal. There has been a rise and fall of class sizes. Classes used to shift students toward vocational jobs but now the shift is toward college. We have seen the loss of many "hands on" classes and an increase in computer classes. We have witnessed the end of graduating at mid-year; the end of half days for seniors whose credit requirements were met; and the end of declaring a major and minor through high school classes.

There was an increase in graduation requirements such as the increase in more science and math credits, as well as four years of English. We have seen

Travel Through a Warrior's Path of Knowledge

the institution of a state-wide mandatory test for one's diploma. As we look to the future, what other changes will come to the halls and rooms at Calumet?

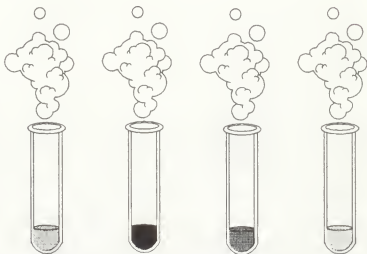

Cutting Things Up

We need two years of science to graduate at CHS. A few different electives are offered after the first two years are completed in Earth and Physical science. The next classes are Biology I and II, Chemistry, and Physics. Science is one of the most important classes to take in school.

Science is always changing; to stay on top of new things you have to have science to figure out what is the real reason things are going on. Each year the Biology classes have to dissect a mink while Biology II has to dissect a fetal pig. The purpose of the labs is to try to get a better understanding of the human body. Each student had a partner and one week to explore the animal and learn as much as they could about it. *By: K. Sut*

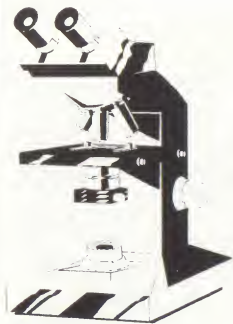

Above: David Richardson, Alicia Neeley, and Jennifer Thornberry watch as Miss Dodd shows them the horse's jaw.

Above: Ryland Sherman, Oscar Quiroz, and David Richardson hold up the head to the horse for Miss Dodd's science class. Left: Nick Garcia and Mark Miller cut up the fetal pig that they had to dissect in Biology.

Understanding Language

English is the most important communication we have that unites us in the U.S. Students must have four years of English to graduate. All English classes cover short stories, poems, plays, a novel, and writing. When students write, they have certain guidelines they must follow: pre-writing drills, rough drafts, peer edits and then a final copy. Students are also given numerous projects during the year. Some of the projects include poster work, acting, presentations and book reports. The English Department also offers four electives: composition, journalism, newspaper, and yearbook. *By K. Sut*

Talents unfold at C.H.S.

Our Fine Arts Department is made up of Art, Gym, Business, and the Research Centers. Our Art department helps students who want to pursue the Arts. Basic art, drawing, and painting are taught. Students need three years of high school art class in order to go to art school. Art class shows how to use lights and darks to show depth in pictures and how to make different kinds of graphite.

Gym class has been a big part of our school. It helps keep our students in shape and teaches recreational sports - activities that can be used throughout life.

Computers help prepare our students for the future. At least one year of computer class to learn basic keyboarding skills is needed.

Industrial Arts helps prepare students for the future. It gives them the skill they need. It is a great class to take for someone going to work in the Steel Mills.

Wood Shop teaches how to tell the differences between all types of wood. When building a house, deck, a tree house, or a porch, you will need to know what kind of lumber to use.

Metal Shop teaches students how to work with machinery and metals and it also gives an opportunity for hands-on training. It also gives students a head start in the metal industry. This is one of our best classes in the school because it helps prepare our vocational students for the future. *By Angela Perez*

It's a  Thing

UNDER CONSTRUCTION

Construction workers were permanent visitors in the Special Services Department at Calumet High School this year. The facilities have been expanded from three to five rooms with an office area, two conference rooms, a small bathroom, and a kitchen area for instruction. The Special Needs staff includes five teachers, five teacher aids, and a work-study counselor. The Special Service Department serves approximately 110 students with different

disabilities ranging from Mildly-Mentally Handicapped to Moderate disabilities to Emotionally Handicapped. With the new facilities and personnel, the Special Services Department at Calumet High School is, and will be, one of the best equipped and trained high school departments in the state of Indiana. The staff is looking forward to meeting the challenges of educating the students at Calumet High School well into the new Millennium. *by Angela Perez*

The People Behind

We're all in this together," is the philosophy adopted by Mr. Broome since his coming to CHS two years ago.

Mr. Sanchez, our assistant principal, has been in our school system for twenty-five years. He was a Lake Ridge teacher in 1974-1977, Dean of Students at CHS from 1977-1983, principal at Lake Ridge Middle School from 1990 to 1993, he came back to C.H.S. in 1993 as assistant principal.

Mr. Bunda has been our Athletic Director for five years. He is in charge of making sure the facilities are conducive for our athletes to play. Our assistants, Mrs. Rodriguez, Mrs. Brooks, Mrs. Wolf, Mrs. Traicoff, Mrs. Taylor, Mrs. Johnson and Mrs. Whitworth, are always busy showing new students around, answering phones, doing the school accounting, keeping track of the attendance, and sending out failure notices.

Our board members play the biggest part in our school. They decide policies, guidelines and any other aspects concerning our school system. They hold two meetings every month for anyone to attend.

Top: Dr. Beach, Superintendent, knights Justin Benge during Medieval Day. Left: Mrs. Rodriguez, our athletic assistant, smiles for the camera. Right: Mr. Broome takes a moment out of his time to enjoy the day. Photos By: Kimberly Sut

Calumet's Success

Exploring Languages

Language is the use of sounds to communicate in our big world. Calumet understands that, that's why we have two foreign languages at Calumet: Spanish and French. We offer four years in both languages. Students who are taking these classes study their conversational aspects and of their country. This year the Academic Team, led by Mrs. Jones and Mrs. Potoma, went to Italy and Switzerland on a fine arts trip. The visit included the cities of Zurich, Lucerne, Venice, Florence, Rome, Milan, and Geneva. The highlights were St. Mark's Basilica, The Colosseum, the Roman Forum, and the Vatican's Sistine Chapel. Mrs. Korellis goes on trips to France every three years. *By K. Sut*

Top: The French club was taking a group picture at the airport before they get on their plane to come back home. Left Jeff Hemphill, Stacy Ceronc, Robyn Hall, Mary Stickland, Melanie Tauber. Middle: Shaula Frisch tells kids their fortune as they run around for their Halloween. Bottom: Robyn Hall and Melanie Tauber stuff their face with cinnamon buns before they get on their plane.

Looking Back

Above Right: Our Russian guess speaker the ex H.S. Principal now a Businessman (import/export) spoke about U.S-Russian relations and a little bit about Kosovo. Right: Daniel Hulien does a quick studying job for his pop quiz. Above: Jessie Gonzales look up definitions for this daily work. *Photos by: Kimberly Sut*

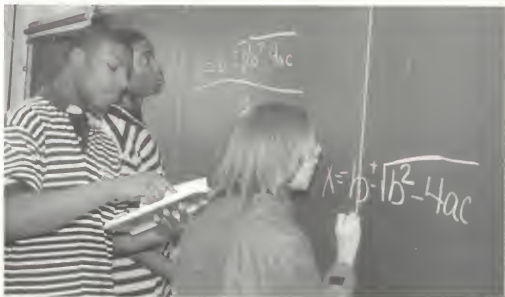

Many people may not like history, but it is a part of us because, in some way, our future will be the history of future generations. You have to take four years of history during high school. The five history classes are: World Civilization, which is about British colonies joining together for one great nation; Geography, which is the study of the land; U.S. History, which is the study of the United States history; Government and Economics, which explains how the country was governed and managed. *By K. Sut*

Right: Randi Ross, Mark Poland, and Kendra Arnold listen to the Russian speaker in the History class. *Photo by Kimberly Sut*

Problem Solving

Calumet High School offers two different paths of math courses. One is general math and the other is college prep classes. For students considering the option of college after high school, they can take Algebra I, Algebra II, Geometry, Trigonometry, Pre-Calculus, and Calculus. These courses help students obtain a fundamental concept of math applications which will benefit them throughout their lives. *By: K Sut*

Top: William Wise, Raymond McDonald, and Andrea Varnado work the Algebra problems on the board. Below Left: David Koch enters his math problem on his calculator. Below Right: Marcus Bonner and Mrs. Lee go over the math problem for pre-algebra. *Photos by Kimberly Sut.*

Takin' Care of Business

Business is everyday life whether you are buying a product or wanting to start a business. At C.H.S we have Business Professionals of America which is a national organization that includes sixteen states, with a membership of about 50,000. Business is a required course at CHS for freshmen who are to take Intro to Business. We have Keyboarding I and II, Accounting I and II, Business Applications, Consumer Education, Business Foundation, and ICE/OJT. All these courses help students balance checking accounts, fill out job applications, and get a better understanding of a few jobs. *By. K. Sut*

Boy-our-cooks!

Cooks do not have an easy job. They have to get here early every morning to prepare food for the entire student body and staff. They have to prepare breakfast then the school lunch. When breakfast is over and the clean-up finished, they begin cooking lunch. They need to know how many students eat on 4A lunch and how many eat 4B lunch so they don't have too much waste. Between lunches they clean, cook, and prep. After lunch is over, they clean-up, and plan for the next day's routine to begin again. By Angela Perez

The year has come to an end once again. For the seniors this is a sad time and years of school and hard work have paid off. To the seniors this is a time to praise our graduating class, raise our hats and leave a smile to underclassmen. Although we physically will not run down the halls, the memories will lie softly in our minds forever. June sixth 1999 at 2:00p.m. we will look at these walls for a final time and say good- bye and farewell. The century has come to an end and the new millenium filled with a world of technology begins. Our junior class is our millenium class. They wait patiently for their time to walk the stage with pride. Class of 2000 will shine with the stars and walk down our halls with hope and their head lifted high for the beginning of a whole new world.

2

Our Sophomore class watches the school change before their eyes. This year they saw many changes in our building. This class sits comfortably while they still have two great years in front of them. The freshman class finally says, "We made it through our first year!" This class is just beginning a future full of fun and memories at Calumet High School. They have plenty of time to enjoy themselves, work hard and leave behind their own style. It is not important what you are, Freshman, Sophomore, Junior or Senior, we all make up this great school as one. As long as we stick together, cherish what this school and it's history has given us, we will still survive. Survive with Warrior Pride and stand holding each other's hands helping each other to stay on top. To close our 1998/99 high school year, We leave a message: Good luck and farewell to the past, welcome to the future and hello to the present. Warrior's path is filled with pride.

Freshman- whole road ahead.

Over the years, there have been so many changes in the world. In 1963 the telephone numbers started to change from TE8- 0570 to 838-0570. Over the years advertising has changed so much - from door-to-door salesmen to infomercials - to help sell products.

From 1926 to 1970, jingles were used to sell products, like "Sometimes you feel like a nut, sometimes you don't, Almond Joy has nuts and Mounds don't Because sometimes you feel like a nut and sometimes you don't." Now we use slogans like: "What you crave . . . White Castle," and "Just do it Nike."

In 1971 all of the tobacco producers were banned from using television ads. Some of the most popular cigarettes were Camels, Marlboro, Luckey's, Phillip Morris, and Pall Mall.

Advertising has come a long way since then. Due to new technology, the advertising

Travel Through A Wannion's Promotion

industry has changed for the better. Computers have become a big part of advertising with all the different graphics that we can do on the computers. Because of all the new age technology, advertising will continue to change.

COLOPHON

The 1998-99 Chieftain was printed by the Newsfoto Division of Taylor P.O. Box 1392, San Angelo, TX 76902. Three hundred books were purchased between August and February ranging between the prices of \$35-\$42. The cover of the book is a maroon froatie with silver foil embossed. The endsheets are rainbow gray felt with maroon 806 Bronx font. The title page is spot-color with Taylor color maroon 34 and silver 81 and is printed on 70# enamel paper.

The cover, endsheets, title page, and all division pages were designed by Jen Downing. The opening was designed by Donna Colon. The Activities section was designed by Britney Conder and Lisa Bank. The People section by Nick Garica and Hillary Russell.

sell. Clubs section by Crandal Shumpert and Bridget Davis, the Sports section by Amber Owens, Tina Reithel, and Shanda Scott, Academics by Angie Perez and Kim Sut, and the Ads/Index section also by Angie Perez. All copy on the opening was written by Donna Colon.

The creation of our yearbook started on the first day of school in Mrs. Green's room. We wanted to celebrate with the 50th edition of the yearbook; however, somewhere along the line there was a mistake in the numbering and this is only the 48th edition. We decided to go with a traveling back through the years at Calumet theme. So we went with "Traveling Through A Warrior's Path." The Senior class is the 70th graduating class.

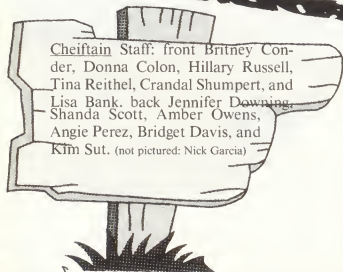

The book was created

in the T term using Helltopez scanners. The software we used was UltraVision and Art Explosion. Fonts included in the people section: Embassy, Chancery, Typewriter, Athena, Athena Bold, Vanguard, Vanguard Bold, Nouveau, Nouveau Italic, and Nouveau; in the Activities section: Malibu Bold Italic and Malibu; in the Clubs section: Seville Bold and Gourmand Italic; in the Sports: Nouves Gothic; in the Academics section: Freehand Script and Times Roman; and in the Ads Index: Gourmand Bold Italic.

All candid photos were shot either by the staff, Main Street Studios, or Ms. Green on Kodak T-Max 400 and Ilford H P 400 speed black and white film. Team pictures were taken by Root Studios. Sen-

ior Pictures were taken by Main Street Studios and all underclassmen pictures were produced by Interstate Studios, Inc.

The staff would like to thank the teachers and coaches for their support, cooperation, and patience, our adviser Ms. Green for her advice, our Taylor representative Greg Samples for his help, and the administration for their support and understanding. - Jen Downing
